1. INTRODUCTION

”Opportunities for make in India in defence”

Pursuant to ‘Atma Nirbhar Bharat’ announcement, the Department of Defence Production/Ministry of Defence/Government of India has developed this portal named, srijandefence.gov.in, as “Opportunities for Make in India in Defence ”

2. OBJECTIVE

The main objective of the portal is to partner the private sector in indigenization efforts of Defence Public Sector Undertakings (DPSUs), OFB and the Armed Forces. The portal will be a non-transactional online marketplace platform.

3. INDUSTRY OBJECTIVE

DPSUs/OFB/SHQs will display their items on this portal, which they have imported or are going to import, each item having sizable import value. They will also display those items which have been planned/targeted in the coming years, for indigenisation. The **Indian industry** will be able to show their interest in those items for which they can design, develop and manufacture as per their capability or through joint venture with OEMs. The concerned DPSUs/OFB/SHQs, based on their requirement of the items and their respective guidelines & procedures, will interact with the interested Indian industry for indigenization. The interested Indian industry can also interact with concerned DPSUs/OFB/SHQs for their queries related to indigenization through the contact details given under each item.

Srijan Portal User Manual for Industry (V2.0)

URL: - <https://srijandefence.gov.in/ProductList>

4. Home page:-

When the user visits the above URL the homepage is displayed. Where the user can visit the various options provided on the homepage.

No table of figures entries found.

The screenshot displays the homepage of the Srijan defence.gov.in portal. At the top, the Department of Defence Production logo is on the left, and the title "OPPORTUNITIES FOR MAKE IN INDIA DEFENCE" is in the center. Below the title, a dark blue banner reads "Products imported by Defence PSUs/OFB/SHQ" and includes a "Show Interest" button. A navigation bar at the top right contains links: ABOUT US, DPSU LOGIN, FAQ, FEEDBACK, and MAKE IN INDIA DEFENCE PORTAL. A search bar is located below the banner. The main content area features a left sidebar with filters for "Year of Import" (2018-19, 2019-20, 2020-21), "Annual Import Value (Rs)" (Below 0.5 Million, 0.5 - 5 Million, 5 - 10 Million, 10 - 50 Million, 50 Million and above), "Company" (Select), "Nato Supply Group" (Select), and "Industry Domain" (Select). The main area shows "Filter/Search Results 5631 items" and "Import Value during 2019-20 (in million Rs) - 45895". It displays a grid of product listings, each with an image, name (e.g., LED ROOF LAMP, VALVE, SWITCH), annual import value, NATO supply group class, last updated date, and buttons for "More Details", "Similar-Products", and "Add to show interest".

4.1 About us:-

Pursuant to 'Atma Nirbhar Bharat' announcement, the Department of Defence Production/Ministry of Defence/Government of India has developed this portal named, **Srijan defence.gov.in**, as "Opportunities for Make in India in Defence". The main objective of the portal is to partner the private sector in indigenization efforts of Defence Public Sector Undertakings (DPSUs), OFB and the Armed Forces. The portal will be a non-transactional online marketplace platform. DPSUs/OFB/SHQs will display their items on this portal, which they have imported or are going to import, each item having sizable import value. They will also display those items which have been planned/targeted in the coming years, for indigenization.

The Indian industry will be able to show their interest in those items for which they can design, develop and manufacture as per their capability or through joint venture with OEMs. The concerned DPSUs/OFB/SHQs, based on their requirement of the items and their respective guidelines & procedures, will interact with the interested Indian industry for indigenization. The interested Indian industry can also interact with concerned DPSUs/OFB/SHQs for their queries related to indigenization through the contact details given under each item.

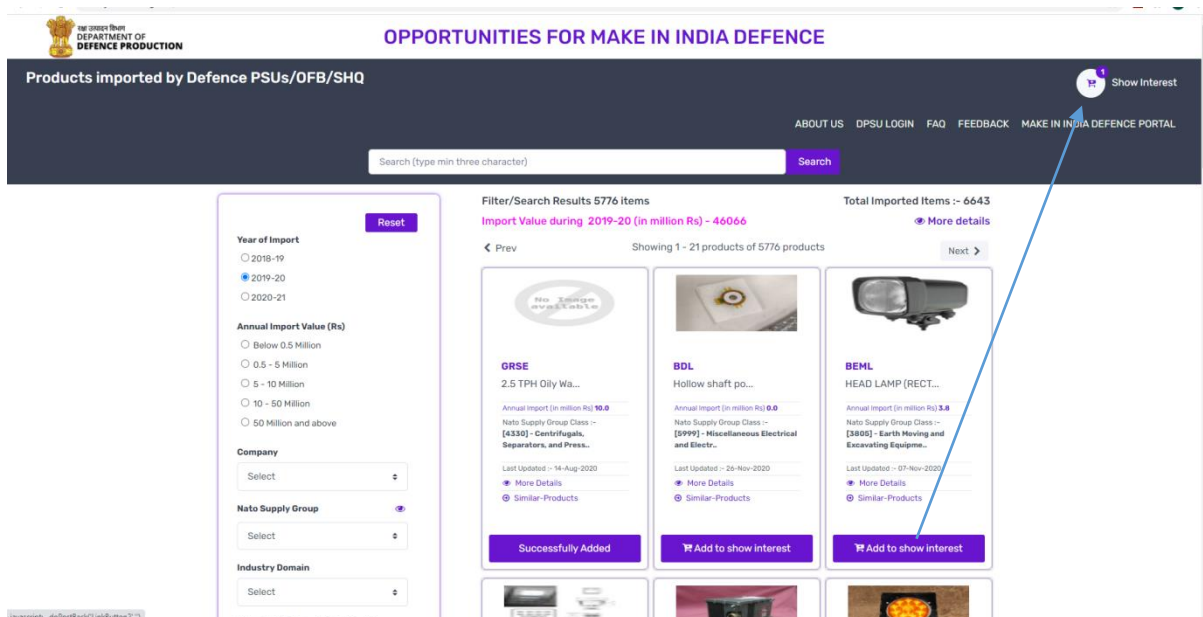

5 .Search:-

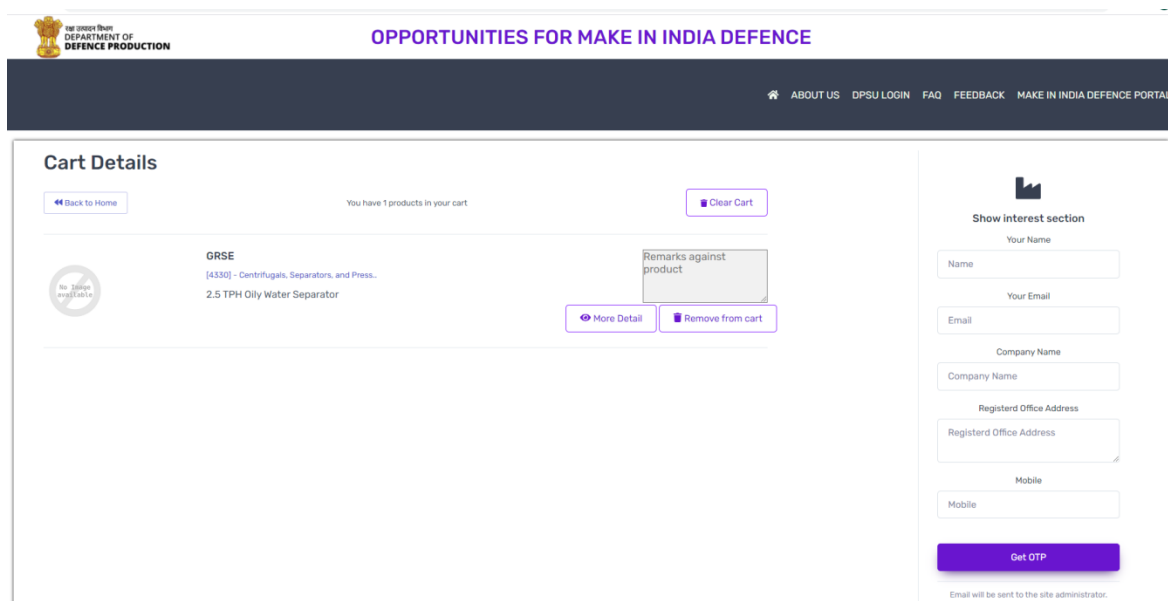

On the top of the website there is a search option provided. Where the user can search the products easily if the user has a product ID, product name etc.

6. Show interest:-

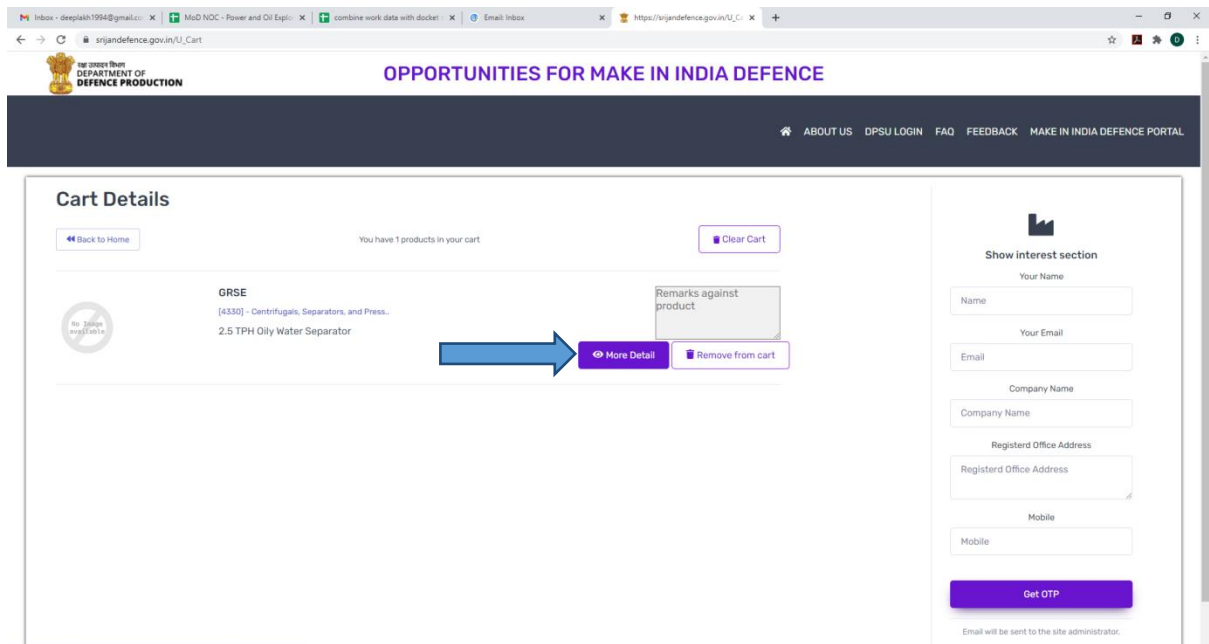

Show interest gives facility to show their interest which Product user like for public domain. Here private user can choose product which they like without using any registration or email id or user name.

When you click on The **add to show interest** bar that product will automatically move to **Show interest** which is available on the top at the right side of the website.

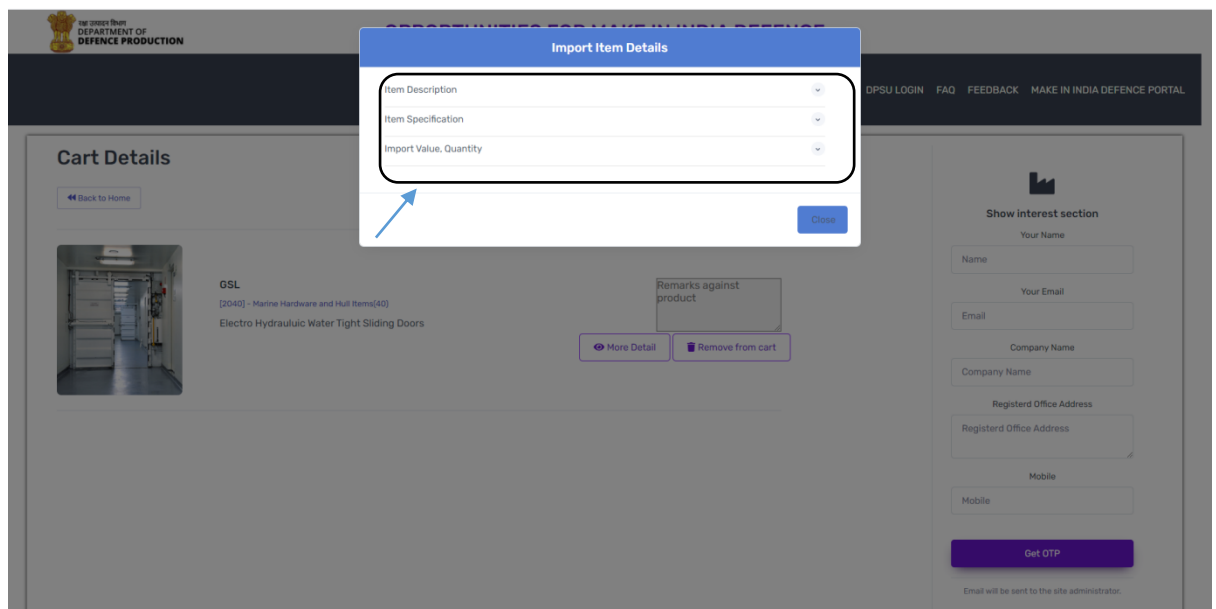

When the user will click on the **Show interest** bar the new page is appearing which is giving details of the product which the user has added in the **add to show interest**.

When the user will click on the more details option the details of that specific product which is added to cart is showing.

- Item Description
- Item Specification
- Import Value, Quantity

On the right hand side there is an option of **show interest section** where the user can update their details:-

- Name
- Email
- Company name

- Registered office address
- Mobile

So, that the DPSU can contact them as per the requirement.

The screenshot shows the 'Show interest section' of the Make in India Defence Portal. The form contains the following fields:

- Your Name**: Name
- Your Email**: Email
- Company Name**: Company Name
- Registered Office Address**: Registered Office Address
- Mobile**: Mobile

A blue arrow points to the **Get OTP** button. Below the button, it states: "Email will be sent to the site administrator."

At the end there is an option provided **Get OTP**. When you click on that the OTP will send on your email id.

The screenshot shows the OTP verification modal and the 'Show interest section' form. The modal contains:

- OTP (6 Digit)**: Input field for the OTP.
- Please enter otp received on your given email id.**: Instruction text.
- Resend OTP**: Link to resend the OTP.
- Submit**: Button to submit the OTP.

A blue arrow points to the **Submit** button. The background shows the 'Show interest section' form with the following filled-in details:

- Your Name**: deepak
- Your Email**: deeplakh1994@gmail.com
- Company Name**: deep productions
- Registered Office Address**: noida
- Mobile**: 9654457115

Below the form, it states: "Email will be sent to the site administrator."

Put the **OTP** in the box provided and then click on **submit** button for the verification of your email id and then the user will receive SMS on her/his mobile stating that:-

Dear, Username thanks for showing interest in item, we will contact you soon
Thanks and regards

By clicking on **NO** option user can identify the products which are not indigenized easily. Because on that product the label is not provided and they are available for indigenization.

8. RESET:-

The screenshot shows the 'OPPORTUNITIES FOR MAKE IN INDIA' portal. At the top, there is a header with the Department of Defence Production logo and the text 'products imported by Defence PSUs/OFB/SHQ'. Below this is a search bar with the placeholder text 'Search (type min three character)'. On the left side, there are filters for 'Year of Import' (2018-19, 2019-20, 2020-21), 'Annual Import Value (Rs)' (Below 0.5 Million, 0.5 - 5 Million, 5 - 10 Million, 10 - 50 Million, 50 Million and above), and 'Company' (Select). A blue arrow points to a 'Reset' button located above the filter section. On the right side, there is a section titled 'Filter/Search Results 142 items' and 'Import Value during 2019-20 (in million Rs) - 21:'. Below this, there are two product cards. The first card is for 'BEML FLOATING SEAL A...' with an annual import value of 1.8 million Rs. The second card is for 'BEML WATER TIGHT...' with an annual import value of 1.8 million Rs. Both cards have a 'No Images Available' placeholder image.

At the end when all the filters are applied the user can go back and re-applied all the filter by clicking on the **Reset** button.

About us: -

Pursuant to 'Atma Nirbhar Bharat' announcement, the Department of Defence Production/Ministry of Defence/Government of India has developed this portal named, **srijan defence.gov.in**, as "Opportunities for Make in India in Defence". The main objective of the portal is to partner the private sector in indigenization efforts of Defence Public Sector Undertakings (DPSUs), OFB and the Armed Forces. The portal will be a non-transactional online marketplace platform. DPSUs/OFB/SHQs will display their items on this portal, which they have imported or are going to import, each item having sizable import value. They will also display those items which have been planned/ targeted in the coming years, for indigenization. The Indian industry will be able to show their interest in those items for which they can design, develop and manufacture as per their capability or through joint venture with OEMs. The concerned DPSUs/OFB/SHQs, based on their requirement of the items and their respective guidelines & procedures, will interact with the interested Indian industry for indigenization. The interested Indian industry can also interact with concerned DPSUs/OFB/SHQs for their queries related to indigenization through the contact details given under each item.
